

Wise and Foolish Builder Matthew 7:24-27

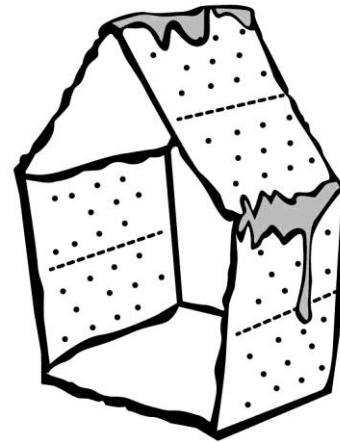

Jesus says following his teaching is like building a house on a rock—a firm foundation. But people who *don't* follow Jesus' teaching are like people who build their houses on sand. The houses will fall when storms arise. Jesus is trustworthy, a firm foundation for our lives.

"For the word of the Lord holds true, and we can trust everything he does" (Psalm 33:4).

Family Together Time

Use this fun family snack to remember that Jesus is a trustworthy foundation.

- Grab some graham crackers and a sticky food, such as frosting, Nutella, or peanut butter.
- Work together to build graham cracker houses. Try different methods to build strong houses.
- After you've made two or three houses, determine which one you think is strongest, and why.
- Eat your snacks as you talk about ways you've seen Jesus help you when you felt weak. Yum!
